Simple user
friendly software

Testimonials : Customers share their thoughts on GEM-CAR

«GEM-CAR is so simple, that you can master it in less than a month.... All the areas you need are accessed from the Point of Sale page; Reminders, Tire storage, Customer history, Account receivable, etc...»

Josée St-Louis, Garage Auto 2000 - The Specialist

«There really is no age limit for moving forward! We used to do every thing by hand. Today, from invoicing to inventory, we use GEM-CAR for everything... »

Rénald Gaudreault (64), Lavoie Suspension, a Tech-Net shop.

«Before using GEM-CAR, I used to spend about 4 hours a week on billing. Now it only takes a few minutes...»

Sébastien Laflamme, Owner, Garage Laflamme - a Tech-Net shop

« I enjoy the flexibility of GEM-CAR and the real time access to the Uni-Select pricing and inventory. The large simple icons and user friendliness make the End of Day procedure a simple click and finding mistakes a quick and easy task... »

Steve Poulin, Garage Grenier Poulin - Uni Pro

«GEM-CAR's simple yet detailed invoice allows us to present and justify to our customers all the parts and labour for each repair or procedure...»

Bernard Poisson, Garage Bernard Poisson - The Specialist

«GEM-CAR is stable and fast : all our customer information is on hand. Making an estimate or work order is child's play with the direct link to Mitchell...»

Robin Gagnon, Owner, Expert R.G. Inc - Uni Pro

«Without ever leaving the multi-function Point of Sale page, you schedule appointments, make estimates, get detailed work orders, order parts on-line and invoice...»

Guy Pelletier, President, Tsunami Consulting auto repair shop management.

« I like GEM-CAR because it is truly user friendly and having the customer history makes me more efficient. I also like the fact that I own the software! »

Louis-Martin Pedneault, Owner, Centre de Services Mécaniques.
